COMCAD

From the Admiral

To the Red-Taggers of 2017,

Congratulations for having the tenacity to persevere through four rigorous, challenging and, often times, amazing years. You represent the largest class to ever graduate from our 126 year old institution and you stand as, perhaps, the last class to fully participate in the annual sea term. You have also been instrumental in the creation, execution and success of our young experiential learning program. You have lived in our dorms, on board our training ship and, yes, even in local hotels. Yours has been a truly unique path and stands as one that may never be repeated at the Academy. Congratulations, as well, for joining me and some 10,000 other alumni who, like you, chose a more difficult route on their path to the working world.

I also wish to say thank you - for a job well done. You have served your Academy, your shipmates and those in your charge well. You have embodied our traits of leadership and for that we are both proud and grateful. Beginning with your Ring Dance ceremony in the Spring of 2016, which marked your time as leaders here at the Academy, through morning PT during Orientation as well as many other events and gatherings, you invited me to be a part of something special. Please know that I deeply appreciate your support.

I hope that, in the coming years, you occasionally pause to think about your days as a cadet at Massachusetts Maritime Academy, especially all of the incredible experiences you shared with each other (some of which, I'm sure, are quite unfit for print). When doing so, I hope you will agree with me that your time as a member of our Regiment of Cadets was indeed something quite extraordinary.

I wish each of you the very best and look forward to your vast successes. I also look forward to your, hopefully, frequent visits back to your alma mater.

Fair winds and following seas,

RADM Francis X McDonald, MMA '85

From the Regimental Commander

Class of 2017,

Four years ago we made the decision to attend a school unlike many others. A school that presents far more challenges than most, and a school that sure is good at putting blocks in the road. Despite the many road blocks we have had to face, MMA has taught us to keep pushing forward. Our common goal formed a unique bond between each and every one of us; we respected one another and had the mutual understanding of having to put up with the same day-to-day difficulties that came with attending Mass. Maritime. We may not have lived the typical college lifestyle, but we each found our own ways of making it enjoyable.

Now that our time has come to an end, I hope you look back without regrets. I have faith that each and every one of you will succeed regardless of where you go from here. Don't let a bump in the road stop you from moving forward. Some days your path will continue on, and other days it will stop. Create the life you want to live, keep growing, find your dream and chase it. Where ever life takes you, I wish you the best of luck.

Student Government Association

From the SGA President

The Student Government Association was established to help serve the student body to have an enjoyable and eventful time here at MMA. It is run by the students for the students. Over the past year, we have had to overcome obstacles and changes to the way we run things. Our budget has shrunk but the population we serve has grown and we had many great ideas, most of which we tried to bring to fruition in some way or another. I have had the utmost enjoyment of having the opportunity to serve as your SGA president. It has been a tremendous experience and a true privilege to work with you to try to make our time together a great year.

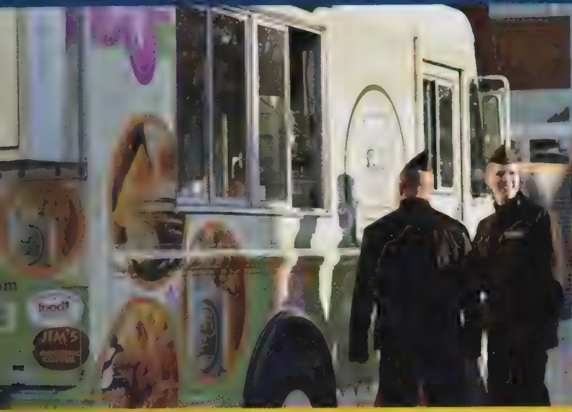
I would take this moment to full-heartedly thank the student body for your support over the past year. Thank you to all of my fellow SGA members that have worked many hours to plan numerous events and really made my job easier throughout the year. Thank you to COMCAD for their kindness and help in our endeavors. And a very special thank you to our SGA Advisor, Josh Tefft, who has given up many hours of his time to help guide us and make sure we proceeded by the book. Thank you for a great year everyone and best of luck to the best class to come out of MMA, the Class of 2017!

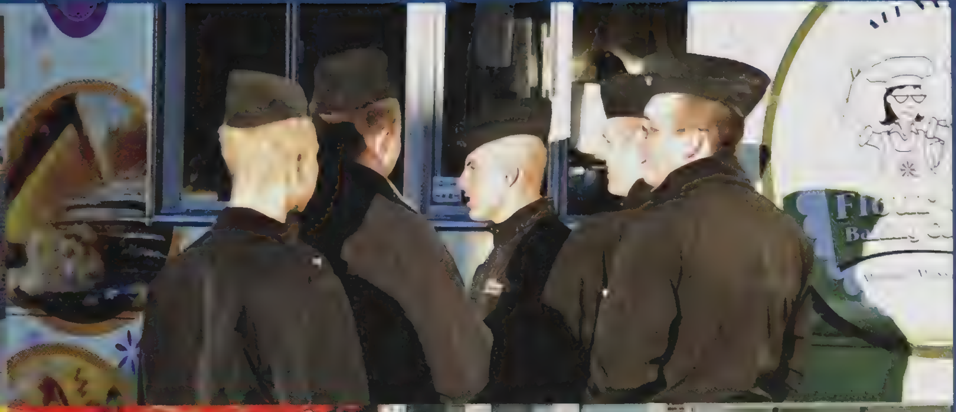
1/C Paul Frost

SGA Events

The SGA has been elected to create the best environment possible for student life. The MMA SGA exist as an independent entity from the regiment of cadets. The MMA SGA is the liaison between the administration, regiment, outside organizations, and the student body.

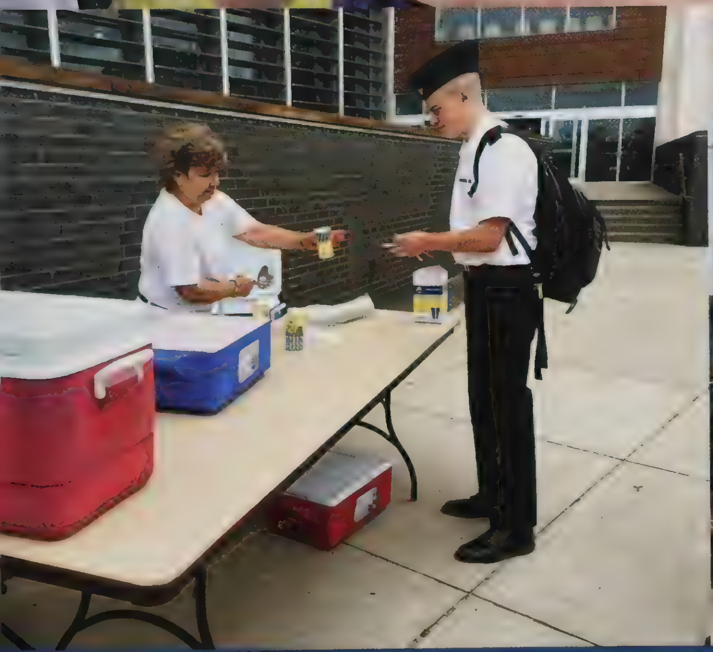
MMA SGA shall provide quality opportunities for academic and extracurricular experiences as well as promote student involvement in academy clubs, organizations, events, and activities. They will ensure efficient and prudent use of student fees and oversee the student fee allocation process.

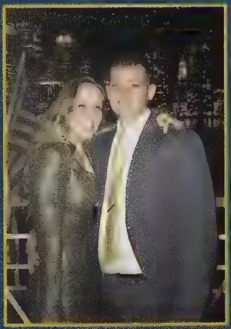


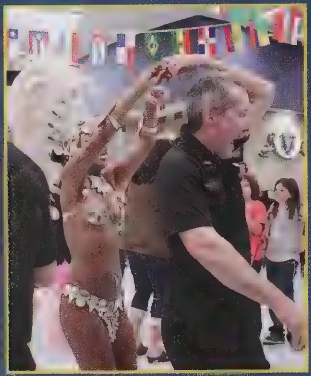


SGA Flash Events

The events are planned and carried out without telling a soul. The goal – to keep people more engaged in the moment!



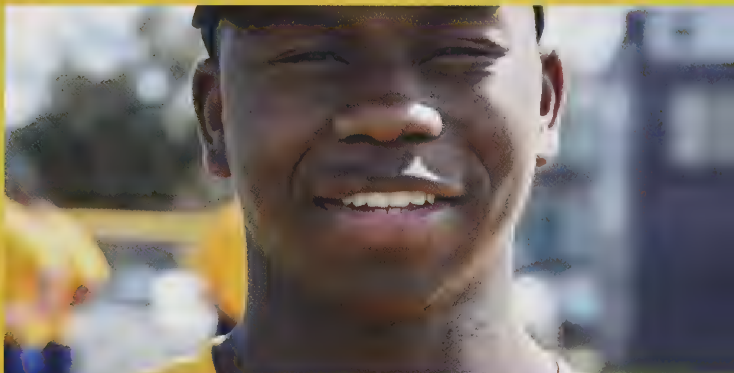


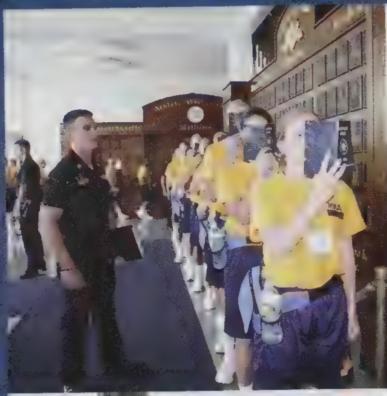


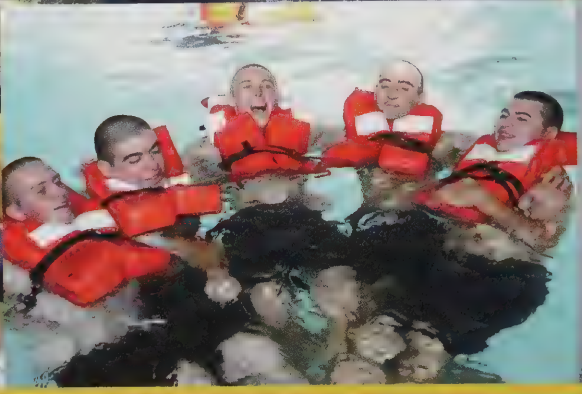
Events

Massachusetts Maritime Academy is proud to hold a wide variety of events dedicated to any class and rank. Many of them occur on campus while some of them happen at other places in Boston and out in the beautiful area of Cape Cod. This dedicates those events and capturing the best moments of each of them in full detail.

Orientation 2016







All incoming students, both Spring and Fall admits, are required to attend a two-week Orientation. The Orientation period is the time during which a Cadet Candidate undergoes the most accelerated phase of training that will ever be encountered in his or her four years of the Academy. It requires close supervision by the cadet leaders and a complete devotion to duty. During this phase, the Cadet Candidate is given the training and orientation that he or she will need to join the Regiment of Cadets. All Cadet Candidates are required to pass a physical fitness test, Youngie knowledge test, water survival course, and a firefighting exam..

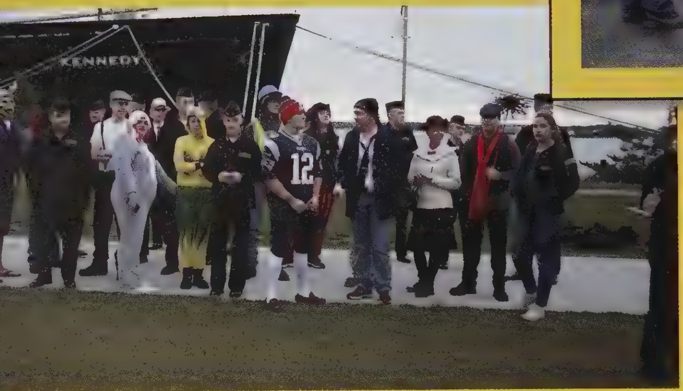
The training program has the primary aim of teaching self-control, discipline, respect for authority and obedience. A Fourth Class Cadet must learn to perform and complete tasks to a high standard while overcoming factors of fatigue and conflicting demands on his or her time. It should be the aim of the leadership to direct the Cadets to develop character through teamwork and must show that an individual can get more done by working with others. The program develops pride and morale by making the Cadets feel that they really belong.

Homecoming

Homecoming weekend is one of the busiest weekends of school all year long. Alumni from as far back as 60 years come to school to come together and catch up with one another, share stories from them sailing out at sea, and enjoy watching the bucs football team play football. These are accompanied by alumni dinners followed later that night where each class can sit down together and enjoy meals together while enjoying one another's company, just like when they were cadets at MMA.

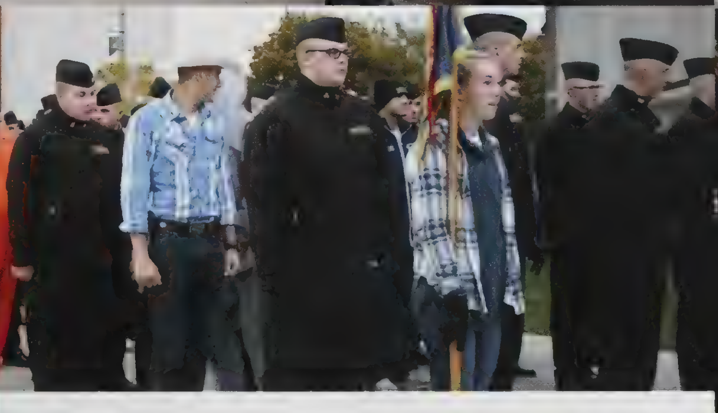
Recognition

Every year cadet candidates are put through a month of challenges that is set forth by the regiment at the Academy. These challenges help them to become a better individual and team with their shipmates as their everyday routines are much more challenging than what a normal college student will see. Recognition is when these challenges end and the cadet candidates are allowed to call themselves Fourth Class cadets, where they will be expected to perform at a much higher standard than in previous times.



Halloween MoFo

Halloween Morning Formation is the one morning formation that a cadet actually looks forward going to. Every cadet is given the opportunity to dress in a halloween costume and act out after the national anthem. Sometimes entire platoons do an entire costume or just the individual dresses in a costume.

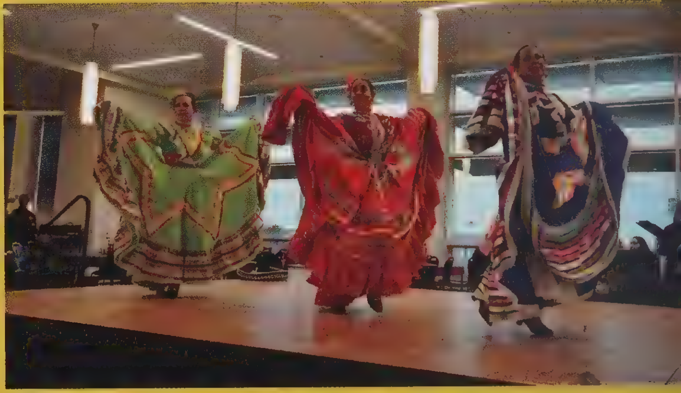


Army vs Navy

The annual Army vs. Navy game took place at the Clean Harbor Stadium. The Army ROTC program faced up against the Navy SIP in a game of flag football. Both teams were extremely competitive throughout the whole competition and it was neck and neck. Army was able to pull off a fantastic upset beating Navy for the first time in many years. Navy had been dominating this Army vs. Navy game since the mid 2000's. It was finally time for the Army ROTC program to have their spot on the throne.

Viking Bath

Every year the upcoming fourth class cadets have the opportunity to go through a right of passage that has been occurring every year at the same time since the 1980's. The fourth class cadets are woken up orientation style with loud whistles and banging on the door at 0415 in the morning. After warming their bodies up on deck all of the freshman head outside where they are surprised with shaving cream, glitters, and sauce that's poured all over them and they then run out into the cold waters off of Taylor's Point where they cleanse themselves in the icy cold December waters.

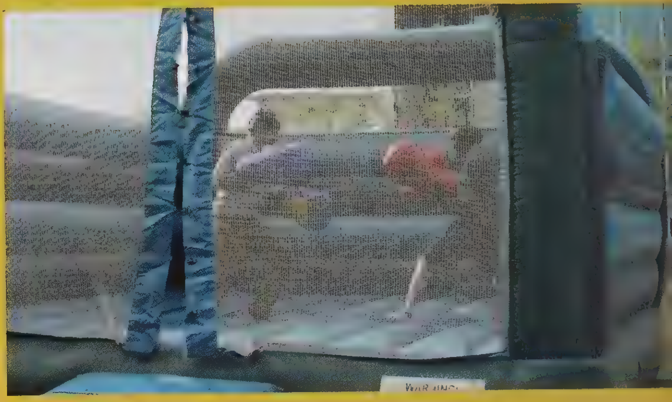


Heritage Festival

The Multicultural & International Affairs office hosted the Third Annual Heritage Fest on April 19th, 2017. There was a fantastic lineup of professional performers showcasing diverse cultures in music, song, dance and art. Performers included gypsy jazz, Brazilian samba, Cape Cod Sea Cadets, Irish step, and Chinese calligrapher. Our cadets also put on a fashion show to display clothing from other cultures.

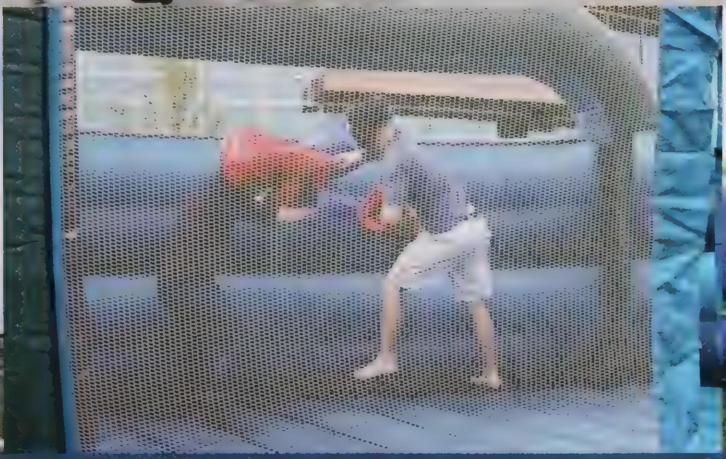
Ring Dance

The Class of 2017 Ring Dance was held on April 29th, 2016 at Boston Park Plaza. The night begins with a ceremony to signify a commitment to the sea, by dipping class rings into waters from the seven seas. The rings show who is in command of the regiment of cadets, and the dance is a celebration for the junior class to showcase senior year leadership positions and to reflect on memories collected throughout the years.



Emery Rice Day

As a graduate of the class of 1897, the Academy declared a day to celebrate Emery Rice and his actions, as they are the embodiment of what we stand for; lead by example, by correction, and by compassion. He was known for dwelling on the positive and leading from the front with great enthusiasm. This event was held on May 23rd, 2017 as a day filled with activities and a cookout to relax and take a short, well-deserved break from the norm.

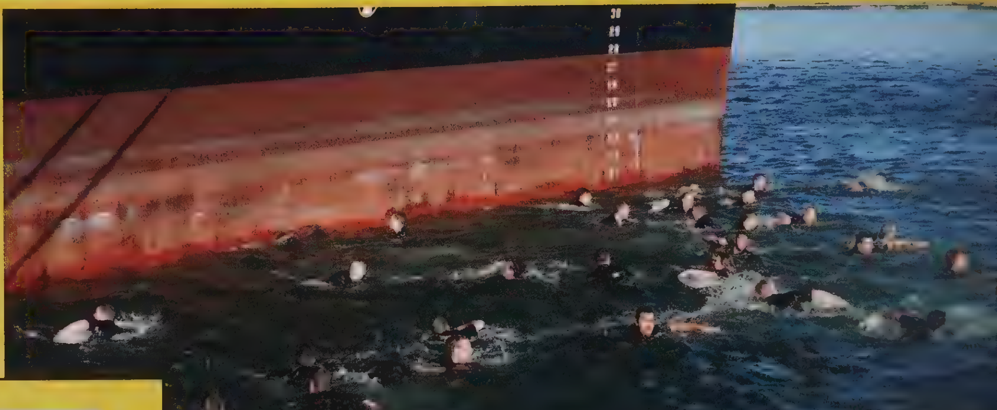


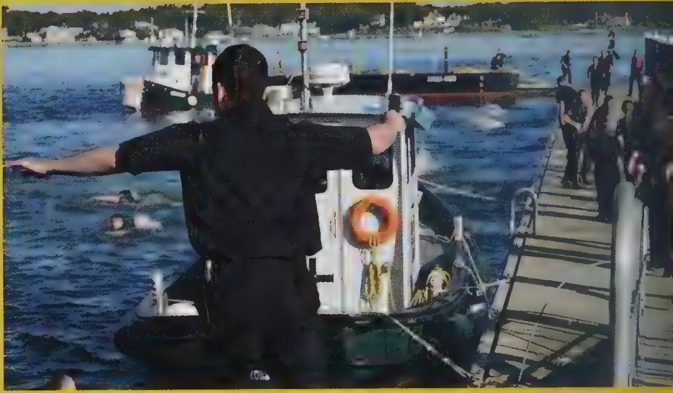
Change of Command

In 1933, Congress set aside May 22 as an annual observance in honor of the United States Merchant Marine. Each year the Academy puts its own spin on National Maritime Day and pays tribute to all mariners past, present, and future and showcases the regiment of cadets at the annual Change of Command ceremony. The ceremony happens when the leadership baton is passed from the Class of 2017 to the Class of 2018, signifying the change of leadership responsibilities. This year's ceremony was held on May 24th, 2017.

Senior Social

The Senior Social was held at the Wychmere Beach Club in Harwich, MA on May 25th, 2017. This is one of the last events for the senior class to celebrate their achievements together. The night is filled with dancing and good food.





Senior Swim

Another tradition at the Academy includes the First Class cadets jumping into the chilly Buttermilk Bay after one of their last Morning Formations. With graduation only a few days away, the cadets are looking for any excuse to enjoy their last times together as MMA students. Soaking their uniforms also doesn't stop them from kissing the bow of the Kennedy!

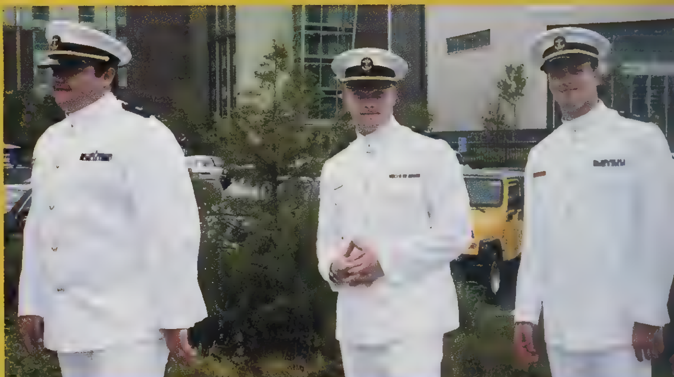
Softball Challenge

This year saw the start of a new tradition! Members of COMCAD and other Staff challenged the Regimental Staff to a softball game. Played at the Alison Rollins Softball and Parade Field, the Regi Staff won! Coach Rozak cooked a post-game meal for all the players to thank them for their achievements this year.

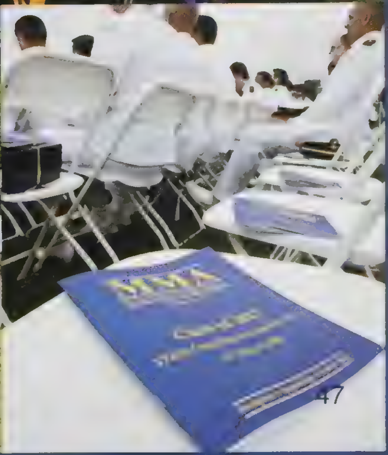
Commissioning

Only cadets who volunteer for commissioning programs have military obligations during and after their time at the Academy. In addition to their academics and regimented lifestyle of the Academy, they take on more developed training and devotion to serving the United States in one of the branches of the Armed Forces. MMA is proud to congratulate the officers entering the Army, Navy, Marine Corps, and Coast Guard.

Commencement

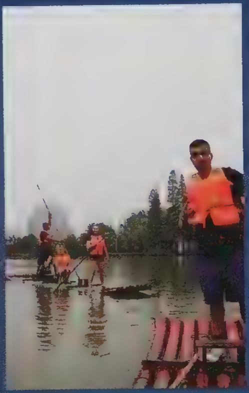


This is the day that all cadets wait for throughout their entire four years at MMA. The most prestigious event at MMA is the Commencement Ceremony that occurred this year on June 17th, 2017. Friends and family come from all around to witness their daughters, sons, and friends walk across the stage to see them pickup their degrees from school.



KENNEDY
KENNEDY

As seniors walk across the stage to pick up their degrees and awards, they look back and reflect on all the memories they made at MMA. Many of these memories are incredible sea-stories and others are opportunities from previous internships that allowed them to travel the world and volunteer in foreign places. MMA is proud to be able to create wonderful graduates, all thanks to the rigorous lifestyles that it instills on all of its cadets.



Experiential Learning

Every Winter and Summer most of the Regiment from the Massachusetts Maritime Academy take the opportunity to partake in experiential learning. MMA is proud to be able to offer these sorts of opportunities too all majors and classes. These opportunities happen all over the globe from areas like Africa, Caribbean, and Asia. These next pages are dedicated to the memories and experiences that all the classes gain in partaking in these events around the globe.

Sea Term 2017

1/C, 2/C, and 4/C Marine Engineering and Marine Transportation cadets embark on the annual cruise aboard the USTS *Kennedy*. This year, the ship made calls in Aruba, Barbados, St. Thomas, and Ft. Lauderdale. Cadets perform maintenance, attend training, and stand watch while aboard the ship, but are able to enjoy themselves once on liberty!

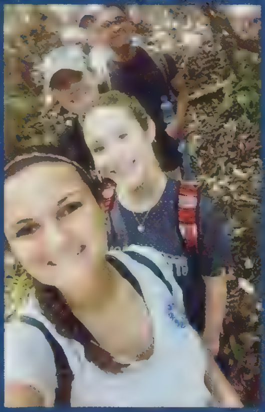
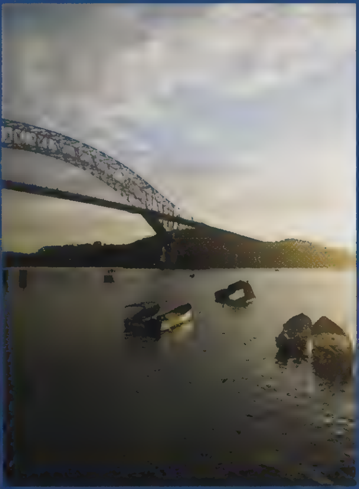
FIVB Beach World
Championships
2017
VIENNA

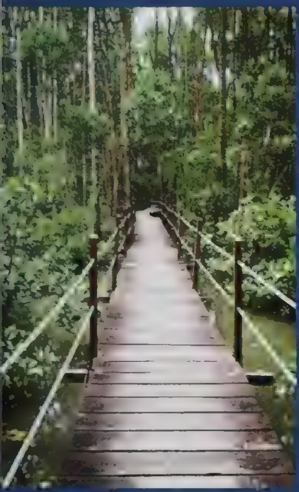
Panama





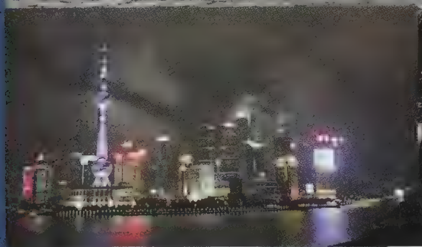
International Maritime Business and Marine Safety and Environmental Protection cadet ventured to Panama, being hosted by Universidad Maritima de Panamá. They spent their time being shown the Panama Canal and its various divisions.

Singapore & Malaysia

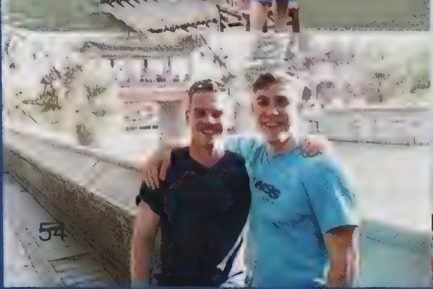


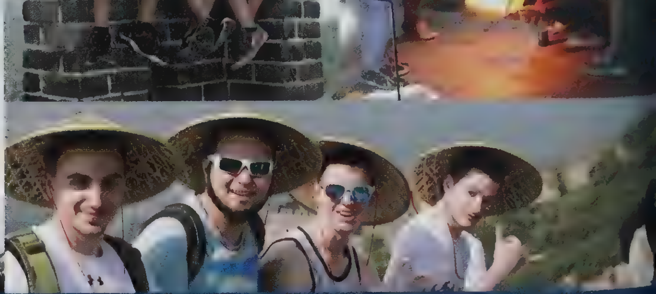
International Maritime Business cadets traveled to Singapore and Johor, Malaysia during the month of February. Their host for the time was the Netherlands Maritime Institute of Technology. While there, they received briefings from multiple maritime businesses and port authorities, and received extensive tours of the Port of Singapore and Port of Tanjung Pelepas. They utilized information learned to prepare a report on the port competitiveness in the area.

China

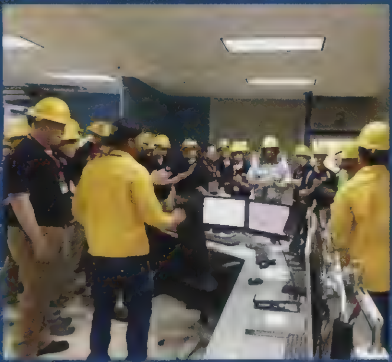


Each Spring semester, MMA cadets study abroad at Shanghai Maritime University and Dalian Maritime University. They are able to travel and engage in cultural excursions.



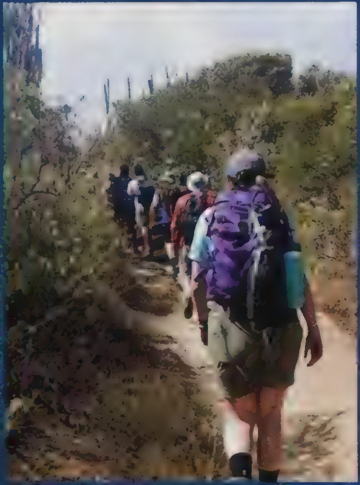


Costa Rica



Energy Systems Engineering and Facilities Engineering cadets traveled to EARTH University in Costa Rica to receive an introduction to sustainable engineering and Latin American culture.

St. John

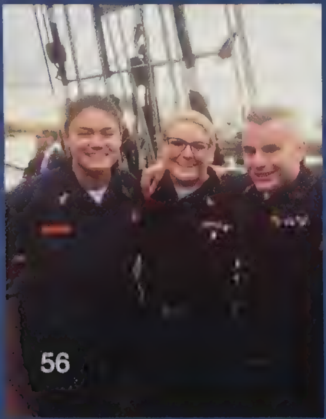


MSEP freshmen travel to St. John during the winter semester. While there, they participate in snorkeling trips, taking pictures and measurements for a field guide. They also went on hikes to learn the history of the island and see some wildlife. They also traveled over to Virgin Gorda, British Virgin Islands to see "The Baths", a beautiful geologic anomaly in the Caribbean.

Florida

Emergency Management freshmen and rates supported Habitat for Humanity by helping build safe and affordable housing for eligible veterans in the Lake County region of Florida during the months of January and February. Participants also received briefings from Walt Disney World personnel regarding their emergency management and security program and from the Lake County Emergency Management Division.

Liverpool



International Maritime Business cadets flew to England for a research opportunity with Liverpool John Moores University. There, cadets developed reports concerning maritime clusters, offshore logistics, and port terminal operations. Students toured port facilities and attended conferences with members of Mersey Maritime Ltd, who promotes cooperation in the local maritime industry.

Kenya

International Maritime Business cadets traveled to Ol Pejeta Conservancy for three weeks in the winter months. They taught local school teachers how to use Microsoft Office products and assisted in conservation efforts at the conservancy.

South Africa

Fourteen International Maritime Business cadets traveled to Durban, South Africa. They were able to learn about the history of South Africa's ports and the maritime activities and educational efforts supporting them. The group was able to support the government's operation to encourage maritime careers by visiting with local high schools.

Clubs

Students have the opportunity to spend their free time participating in various clubs on campus. From club sports to groups gathering for the same interests, these student run clubs allow the MMA community a chance to break in between their time spent in the regiment and classes.

Congratulatory Messages

Joshua Lannon

Josh,
We are so proud of you. You have worked hard and become an amazing man. Embrace all that life's journeys have to offer you, take on challenges and continue to grow.
Congratulations.
Love,
Mom, Dad, Dyland and Nicole

BRENDAN THORNTON

CONGRATULATIONS BRENDAN! WE ARE INCREDIBLY PROUD OF YOU AND ALL THAT YOU HAVE ACCOMPLISHED SO FAR IN YOUR YOUNG LIFE.

MAKING IT THROUGH THE 'TROUGHS AND CRESTS' THESE PAST FEW YEARS AT MMA HAS CERTAINLY SET YOU UP FOR CONTINUED SUCCESS IN THE FUTURE.

WISHING YOU FAIRWINDS AND FOLLOWING SEAS ALWAYS -

LOVE,
MOM, DAD AND JAMESON

Joseph A. Dragon

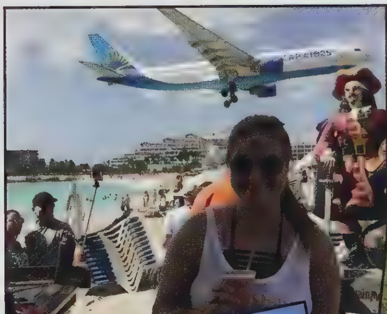
Congratulations Josh

Well Done

Love,
Mom and Mark

Laura Elizabeth Hahn

"I knew when I met you an Adventure was going to happen"~Winnie the Pooh
You are a wonderful woman and we love you so much!
Mommy, Daddy, Rachel and Ethan



Natalie E. Lu

So very proud of you, Natalie!! You are doing what you were meant to do and we look forward to what comes next!
- Sail on, sailor girl -
We love you!
Your Family

Charleen Klangos

Charleen,

Since the day you were born you put a light in all our hearts. We watched you work hard in your academics and sports - striving for the ultimate goal. You persevered and here you are graduating from MMA. We are all so proud of you. Congratulations!

Love,
Mom and Dad,
Aimee, Corrie and Chris,
Meme and Poppa,
and the entire family

Never stop striving!

KYLIE FOSTER

Dream higher than
the sky and deeper
than the ocean.
Congratulations on
all you've achieved.

Love Mom and Dad

Samuel Williams

Congratulations Sam! We could not be more proud of you and your success at MMA! Best of luck in all your future endeavors!

Love, Mom, Dad, Joe, Kate, Jack, and Nate
